

Registration Information and Instruction - 2025

Registration and Payment

The CYSA uses **PowerUp Sports** software to process on-line registrations and payment (**Visa, Mastercard credit cards only**), and to recruit volunteers. If you don't have access to a computer or credit card, no problem, contact the club at 519 352-1999 to set up an in-person registration.

Using the on-line registration is easy and takes about 10 minutes. A parent or Guardian (must be 18 yrs of age or older) will create a profile account, using a valid email address, telephone number and password. Once the account is setup (1 per family) you can continue or log out and come back any time to add players, add additional parents/guardians, volunteer, or edit your profile.

Volunteers are an essential part of the CYSA. The club relies on enthusiastic parent and youth volunteers to coach/co-coach and convene our recreational league teams. We will provide you with the support and resources you will need. We hope that while using the on-line registration program, you will answer **YES** to the volunteer question. If you decide you would like to get involved **after** you have completed registration, you can re-visit the login page, and use the **Volunteer Now** button on the left-hand side of the home page

Log in/Sign in

If you are a **returning member**, you have already created your profile, so just click the **Login** tab, and enter your email and password you used last year. If you have not used the PowerUp registration site before, click the **Sign In** tab, to get started.

Schedules/Age divisions

CYSA will make every attempt to adhere to published playing nights/age divisions, however these are tentative until we determine final numbers at the completion of registration

Recreational/Competitive

We offer a recreational league for all players, and competitive (travel) teams for ages 9 yrs. and older. All players must register for the recreational league. If wishing to tryout for competitive teams, indicate this by answering "yes" on the questionnaire, and a coach will contact you regarding tryouts. Competitive team tryouts begin indoors early in February and teams are chosen in March. Those not chosen for competitive teams are returned to the recreational league.

Waitlist

If the age division you are trying to register for is **"Sold Out"**, you will be prompted to continue your registration and be added to a wait list. No payment will be required at this time, but you must continue with the checkout process in order to be assigned an invoice number, and your order considered complete.

Support

If You are having difficulties at any point, please refer to the **Support** section, on the left-hand side of the home page, and if you are still stuck, email us at CYSA_registrar@bell.net

Please provide the first and last name, email address, and telephone number you used to set up your profile, and a brief description of the problem.
